Send a complete quotation brief

Artwork or reference picture; finished width and height; quantity per design; colours; material and attachment preferences; delivery country and any deadline. For folded labels, show visible size, cut size and allowance. For packaging, clarify internal or external dimensions.

Approval and documentation

Options are reviewed for the actual design and use. The written quotation confirms minimum quantity, sampling, setup requirements, pricing and lead times. Supplier-certified yarn documentation applies only where specified and within its stated scope. No company or finished-product certification is implied.

This sheet is a specification aid, not a quotation, production proof or guarantee of every option in every construction.
